

How Satan Runs The World

I -Introduction

As Christians, it is extremely important that we believe and understand the truth that God has given to us in His word (The Holy Bible). We need to help all non-Christians come to this truth using any means available to us. Everyone will spend their entire life fighting three things...the World, the Flesh, and the Devil. The world is full of temptations created by Satan that target the three main weaknesses of our flesh, which can only be controlled through prayer and the grace of God; these are...the lust of the flesh, the lust of the eyes, and the pride of life. These are the three things that Satan tempted Jesus Christ with while he was fasting in the wilderness.

For all that is in the world--the lust of the flesh, the lust of the eyes, and the pride of life--is not of the Father but is of the world. (1 John 2:16)

I was saved by the grace of God and the true belief and confession of Jesus Christ as Lord and Savior just as everyone else is. This is the wonderful free gift of salvation that God gives true believers. God also blessed me with the knowledge of how Satan literally runs the world. Through many hours of very in-depth research, the Holy Spirit directed me to learn the mechanics behind the inconceivable web of deception and the complex cloud of lies that Satan is using to deceive and run the world. I feel that because this knowledge helped me to have a true understanding of the need for salvation through Jesus Christ, and that we are all weak and sinful creatures that are unable to do anything without the grace of God, that I needed to write this paper in order to try to help others see the light and truth I was shown.

This paper is meant to strengthen Christians in their faith and also to help them see the lies and deception that is all around them. It is important for Christians to pray and ask for the Holy Spirit to help them understand the word of God. You should also pray for help with these things you are about to read as well as asking for protection from Satan and his demons. I say to everyone that what I am going to expound on in the following pages is scripturally based, completely true, and extremely terrifying. Also, there is absolutely nothing you can do to stop these things so please don't try. You simply need to be a good Christian and spread the word of God and the truth about how Jesus died to save us all from eternal damnation.

II - God Has Temporarily Given Satan Power and Authority Over the World

The first thing I will do is use scripture to establish the fact that God has temporarily given Satan power and authority over the world. Please understand that God created Satan and all of the fallen angels that are now demons, so ultimately, God is in complete control of everything. God is allowing these things to happen for his glory. There is much we don't know about Satan and the other angels that followed him when he fell so we need to trust God and have faith that everything bad that happens is ultimately for a good outcome and the glory of God. I need to remind you of the fact that Satan was not only allowed to be in the Garden of Eden, but he was allowed to indwell a creature (the serpent), and converse with people (Adam and Eve).

This was when Satan told his first lie to mankind...

Now the serpent was more cunning than any beast of the field which the LORD God had made. And he said to the woman, "Has God indeed said, 'You shall not eat of every tree of the garden'?" And the woman said to the serpent, "We may eat the fruit of the trees of the garden; but of the fruit of the tree which is in the midst of the garden, God has said, 'You shall not eat it, nor shall you touch it, lest you die.' " Then the serpent said to the woman, "You will not surely die. For God knows that in the day you eat of it your eyes will be opened, and you will be like God, knowing good and evil." So when the woman saw that the tree was good for food, that it was pleasant to the eyes, and a tree desirable to make one wise, she took of its fruit and ate. She also gave to her husband with her, and he ate. (Genesis 3:1-6)

Notice what convinced Eve... She saw the tree was good for food (lust of the flesh), that it was pleasant to the eyes (lust of the eyes), and it was desirable to make one wise (pride of life). Satan had used all three of our human weaknesses to deceive Eve. He is still doing this today but he has many more tools and means to do so (i.e. – internet, television, radio, newspapers, magazines, etc.). By Adam and Eve sinning, the fall of mankind was initiated and the earth was cursed. I will not go into any more details on the fall of man or the meanings behind the curse; However, I will say that this is how Satan and his demons operate every minute of every day toward every person on earth. He wants us to all deny God and to sin ourselves right into the grave. This is why God sent His Son Jesus Christ, who was God in the flesh and the second part of the Holy Trinity, to save us. Jesus was the only sinless man to ever live.

Let's recall the three temptations Satan used to try to make Jesus sin...

Then Jesus, being filled with the Holy Spirit, returned from the Jordan and was led by the Spirit into the wilderness, being tempted for forty days by the devil. And in those days He ate nothing, and afterward, when they had ended, He was hungry.

(1) And the devil said to Him, "If You are the Son of God, command this stone to become bread." But Jesus answered him, saying, "It is written, 'MAN SHALL NOT LIVE BY BREAD ALONE, BUT BY EVERY WORD OF GOD.' "

(2) Then the devil, taking Him up on a high mountain, showed Him all the kingdoms of the world in a moment of time. And the devil said to Him, "All this authority I will give You, and their glory; for this has been delivered to me, and I give it to whomever I wish. Therefore, if You will worship before me, all will be Yours." And Jesus answered and said to him, "Get behind Me, Satan! For it is written, 'YOU SHALL WORSHIP THE LORD YOUR GOD, AND HIM ONLY YOU SHALL SERVE.' "

(3) Then he brought Him to Jerusalem, set Him on the pinnacle of the temple, and said to Him, "If You are the Son of God, throw Yourself down from here. For it is written: 'HE SHALL GIVE HIS ANGELS CHARGE OVER YOU, TO KEEP YOU,' and, 'IN THEIR HANDS THEY SHALL BEAR YOU UP, LEST YOU DASH YOUR FOOT AGAINST A STONE.' " And Jesus answered and said to him, "It has been said, 'YOU SHALL NOT TEMPT THE LORD YOUR GOD.' "

Now when the devil had ended every temptation, he departed from Him until an opportune time. (Luke 4:1-13)

Notice in the 2nd temptation that Satan told Jesus that he would give Him authority over all the kingdoms of the world if Jesus would just worship him. This is one of many statements that prove Satan has been given authority over the world. Also, please note that for all three temptations, Jesus used the word of God to defeat Satan. This teaches us that it is extremely important for us to not only know the word of God, but to live our lives by it as well.

Let's also recall a passage in Job:

Now there was a day when the sons of God came to present themselves before the LORD, and Satan also came among them. And the LORD said to Satan, "From where do you come?" So Satan answered the LORD and said, "From going to and fro on the earth, and from walking back and forth on it." (Job 1:6-7)

The "sons of God" in the Old Testament refers to angels and "walking back and forth" on the earth is a sign of ownership. This shows that Satan was claiming ownership of the earth. This is very similar to what God told Abram when he gave him the Promised Land.

And the LORD said to Abram, after Lot had separated from him: "Lift your eyes now and look from the place where you are--northward, southward, eastward, and westward; for all the land which you see I give to you and your descendants forever. And I will make your descendants as the dust of the earth; so that if a man could number the dust of the earth, then your descendants also could be numbered. Arise, walk in the land through its length and its width, for I give it to you." (Genesis 13:14-17)

The answer Satan gave God in Job shows the incredible pride and arrogance of Satan. Satan has one main goal; he wants everyone to turn away from God. He accomplishes this by hiding the truth about Jesus Christ and by making people believe one or more of his many lies. There are only two choices for a person to make, either follow God or follow Satan; however, Satan makes it look like there are thousands of choices (i.e. – Self, Zeus, Dao, Allah, Confucius, Buddha, etc.). All of these choices are another tool Satan uses to "muddy the water" and hide the truth promoted by Christianity. Jesus told us that everything Satan says is a lie...he is the father of lies.

You are of your father the devil, and the desires of your father you want to do. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. When he speaks a lie, he speaks from his own resources, for he is a liar and the father of it. (John 8:44)

Satan's goal is to gain enough power that he can compel the entire world to worship him. This will happen when he indwells the anti-Christ and is able to force all people to receive his mark in order to buy and sell as well as worship him. The people will believe that Satan is God due to miracles he shows them through the false prophet and anti-Christ as well as a "strong delusion" that God will send to make the people believe Satan's lie.

The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish,

because they did not receive the love of the truth, that they might be saved. And for this reason God will send them strong delusion, that they should believe the lie, that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.

(2 Thessalonians 2:9-12)

Let me also provide proof to you that Satan has the power to indwell human beings as well as animals (i.e. the serpent in the Garden of Eden). The most prominent example of this was when he indwelled Judas Iscariot and used his body as a tool to betray Jesus Christ.

Now the Feast of Unleavened Bread drew near, which is called Passover. And the chief priests and the scribes sought how they might kill Him [Jesus], for they feared the people. Then Satan entered Judas, surnamed Iscariot, who was numbered among the twelve. So he went his way and conferred with the chief priests and captains, how he might betray Him [Jesus] to them. And they were glad, and agreed to give him money. (Luke 22:1-5)

Satan has done this many, many times throughout history to the most important people imaginable (kings, generals, presidents, bankers, etc.) and will do it one final time when he indwells the anti-Christ.

III - How Satan Gains Power and Authority Over The People of The World

Presently, the world we live in allows power to be gained through wealth. This is extremely unfortunate but true. Extreme wealth is capable of using blackmail, greed, and corruption to coerce men to get evil things done. This is how Satan has taken control of the world...through the acquisition of wealth and the manipulation of people, governments, and systems through this wealth.

There are two main types of wealth he uses as tools to manipulate the world. The first is land acquisition which is accomplished by controlling the government of the country that possesses the land and/or by loaning the money to the person or entity that is purchasing the land. He uses demons to control key rulers throughout the world. Anywhere that there is a non-Christian ruler, he has the opportunity to have a demon indwell and control them.

Then he said to me, "Do not fear, Daniel, for from the first day that you set your heart to understand, and to humble yourself before your God, your words were heard; and I have come because of your words. But the prince of the kingdom of Persia withstood me twenty-one days; and behold, Michael, one of the chief princes, came to help me, for I had been left alone there with the kings of Persia. Now I have come to make you understand what will happen to your people in the latter days, for the vision refers to many days yet to come."

(Daniel 10:12-14)

In this passage from Daniel, an angel tells Daniel that he was late arriving because "the prince of the kingdom of Persia" kept him from coming (withstood) him for 21 days. This was a powerful demon that was in charge of the kingdom of Persia, in fact it was so powerful, that the Archangel Michael needed to intervene and help. This is very serious stuff. There is an invisible

war going on all around us between angels and demons. Paul warns us about this war in Ephesians.

Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places. Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand. (Ephesians 6:11-13)

The second tool Satan uses is ownership of material or (portable) riches which are precious metals and jewels. Gold is referred to about 451 times in the Bible, silver is referred to 321 times, and precious stones are referred to 44 times. Physical possession of these things is true worldly wealth as shown in the Bible. Every time a war is won, the winner takes the spoils of gold, silver, and precious stones. The Tabernacle and Solomon's Temple were built using huge amounts of gold, silver, and precious stones. Money around the world used to be backed by gold and silver, or it was actual gold and silver coins. Satan needs to accumulate and/or control as much gold, silver, and precious stones as is possible so that he can gain the power that flows from the wealth. Satan has no direct need for the wealth himself because he is a spirit; however, the people who support him do need it in order to carry out his plan on the world. Ultimately, the anti-Christ will be the richest man in the world...or his chosen representative.

Please remember...

For the love of money is a root of all kinds of evil, for which some have strayed from the faith in their greediness, and pierced themselves through with many sorrows. (1 Timothy 6:10)

Because there are so many people who love money, Satan's goals are made fairly simple. All that is needed to eventually get all (or most) of the gold and silver and to control the mining and sales of precious stones, is time. Since he is a spirit and cannot die, time has been on his side since the moment God created Adam and Eve. So now the question becomes...What are the best mechanisms and methods that can be used to acquire and gain physical possession of gold, silver, and precious stones? There are many but we will only focus on a few of the biggest and most effective means of acquiring these riches.

- 1) The ability to print and distribute the currency of a country.
- 2) The authority to charge interest (usury) on money loaned.
- 3) The authority to apply a "direct tax" or "income tax" on people.
- 4) The authority to create money through "fractional reserve" banking.
- 5) The power to manipulate countries into war.

Before we move on, let me just remind you of what Jesus said...

For what will it profit a man if he gains the whole world, and loses his own soul? (Mark 8:36)

The rich men being manipulated by Satan may be great and powerful right now, for the 75 or so short years they will live on earth, but they have no idea that they will spend eternity in hell for their evil deeds. Satan is telling them many lies and they are believing them all.

IV - Methods Satan Uses to Acquire Wealth

At this point, I will say that I am not going to mention any person, family, or entity by name. It is very simple to find out who is in control of the world's wealth simply by finding who has the power and authority to set the daily price of gold. I will say that the root of all of this evil is the world's economic system and the central banks that are strategically placed throughout the world. When I explain the methods of acquiring wealth, please realize these are people doing this through the power given to them by Satan. The richest people in the world worship Satan by sacrificing babies and children to him. In return, he gives them the wisdom, power, and most importantly, the demonic support needed to control key individuals and acquire their wealth.

Let's start with the "Central Bank" of the United States, the "Federal Reserve". This institution is neither Federal nor does it have any reserves. Its name was purposely chosen to deceive and confuse people. It was created on December 23, 1913 with the enactment of the Federal Reserve Act, which was largely in response to a series of purposely and carefully scripted financial panics, in particular, a severe panic in 1907. There are similar institutions in every major country of the world and they are referred to as "The Central Banks" in most cases. The Federal Reserve was given power by the Congress to print our money and to regulate our economy through the purchase and sale of bonds. The Federal Reserve is a privately owned company that is owned by the same people that own every other Central Bank in the world. Together, these are the "wealth machines" Satan has created in order to gain control of all of the gold and silver.

The Federal Reserve is the "machine" now Satan needs to get the "fuel" to power the machine. This is done throughout the world by "direct" or "head" taxes on every person that has any type of income.

Before moving on, let's remember how God originally intended things to be. God made it very clear to the Israelites that they were not to charge interest or make a profit if they loaned money to each other.

If one of your brethren becomes poor, and falls into poverty among you, then you shall help him, like a stranger or a sojourner, that he may live with you. Take no usury or interest from him; but fear your God, that your brother may live with you. You shall not lend him your money for usury, nor lend him your food at a profit. (Leviticus 25:35-37)

God also implemented a "liberty" clause for them so that every 50 years (Jubilee), all slaves were freed and all land that had been sold was to be reverted back to its original owner. These things were done very purposely because God knows the horrible yolk that enslavement and debt can put on a man as well as how the rich can take advantage of the poor very easily.

He shall be with him as a yearly hired servant, and he shall not rule with rigor over him in your sight. And if he is not redeemed in these years, then he shall be released in the Year of Jubilee--he and his children with him. For the children of Israel are servants to Me; they are My servants whom I brought out of the land of Egypt: I am the LORD your God. (Leviticus 25:53-55)

Article I, Section 9 of "The Constitution of the United States" clearly states that:

"No Capitation, or other direct, tax shall be laid, unless in proportion to the census or enumeration herein before directed to be taken."

What this means is that the Federal government had no right to tax individuals with a direct or "head tax" unless a census is taken, a specific amount of money is defined as necessary, and then the total need is divided evenly (proportioned) among all of the people. In other words, we cannot be taxed based on our income! For example, if one million dollars was needed for a war and a census was taken and there were one million people in the country, then each person would pay one dollar toward this direct tax. Other than this, our founding fathers were very clear that the Federal government was not to tax the people. It was the States that were given the authority to tax the people that lived in their territory for local needs such as schools, roads, police, etc., and that is it.

Notice the census that Caesar Augustus took back in the time of Jesus. This was so that he could get a list of all the people who lived in the land so he could tax them.

And it came to pass in those days that a decree went out from Caesar Augustus that all the world should be registered. This census first took place while Quirinius was governing Syria. So all went to be registered, everyone to his own city. (Luke 2:1-3)

Unfortunately, in the December 1912 session of congress, our constitution was amended because Satan was able to manipulate greedy and corrupt men of our congress and our President at the time, Woodrow Wilson. This had been attempted several times before but it was stopped; however, on February 3rd, 1913, this amendment was finally ratified. This amendment was originally presented by the Senator of Nebraska, Norris Brown and later re-worded and pushed through congress by the Senator of Rhode Island, Nelson Aldrich (a relation to the Rockefellers).

The 16th amendment states this:

"The Congress shall have power to lay and collect taxes on incomes, from whatever source derived, without apportionment among the several States, and without regard to any census or enumeration."

The 16th amendment was presented under false pretenses and ratified in a very questionable manner that was quite possibly illegal. It is much too complicated to go into the details surrounding this evil act in this paper. The 16th amendment is directly tied to the creation of the Federal Reserve System as well as the Internal Revenue Service (IRS) and all three work

together in order to generate huge sums of money very quickly. There are many excellent sites on the internet that explain these in great detail.

Needless to say, just use common sense and logic and ask yourself:

- 1) Would the majority of congressmen vote to have themselves and their families and every person in the United States directly taxed based on their income?
- 2) Would the majority of congressmen enact an amendment that completely undermined the original wording and intent of the constitution?
- 3) Would the majority of congressmen completely ignore their home State constitutions by defining taxation standards without proper vote and support by their home State legislators?

No, of course they wouldn't...But when corrupt and greedy men are being bribed and blackmailed with millions of dollars and/or threats on their lives and the lives of their families, evil things happen. Satan has done similar things in every other country in the world. This is extremely complex and I would suggest researching "How the Federal Reserve System Works" and "Fractional Reserve Banking". For now, let me just give you a quick example of how the Federal Reserve System (FED) and all Central Banks work (this is only 1 of 3 ways they manipulate the economy and create money for themselves):

- 1) When money is needed to pay government workers or fund a new project or more importantly, to fund a war, Congress goes to the US Treasury and asks that T-Bills (Treasury Bills) or bonds be issued for the amount needed. These are known as securities or secured bonds and are guaranteed to be paid by our government (through taxation).
- 2) The US Treasury prints up the secured bonds and sells them to the FED.
- 3) Since the FED has the authority to print money, it can buy any amount of the bonds at almost no cost, except for the expense of printing the money (this is estimated to cost them about 3 cents per \$100 printed). Please note that with computers, this can now be a simple, free, electronic transaction. Either way, we will just assume 100% profit.
- 4) After purchasing the bonds, the owners of the FED do 2 things:
 - a. They sell the bonds to the US Tax Payers or foreigners keeping all of the profit.
 - b. They start collecting interest from the US government because they are interest bearing security bonds.
- 5) The US Government now owes the FED owners the interest on those bonds. Remember that the FED owners do not earn the bonds; they simply print the money to buy the bonds. In other words, they created money out of thin air and exchange it for the interest bearing bonds.

- 6) The money the congress got from the FED (which was printed out of thin air) is now deposited into a bank and checks are written to pay employees and contractors, etc.
- 7) The employees and/or contractors take their paychecks and deposit them into their bank.
- 8) The bank is then allowed to “create out of thin air” and loan out (with interest) up to 1000% the amount of money that is deposited. This is called operating on a “fractional reserve” and is illegal for any other institution in the world to do this except for banks; however, banks are allowed to operate on a 10% fractional reserve. This means that if you deposit \$100, they are allowed to “create out of thin air” and loan out (with interest) \$1000 because they are maintaining the 10% reserve of \$100.
- 9) Remember that the US government promised a certain profit on the secured bonds so in order to pay for the bonds' interest, the US Government taxes the US population. This is where the “direct tax” or “income tax” comes into play. All of our federal taxes go into paying the interest on the bonds that were purchased by the FED with money they created out of nothing. When a person holding a bond receives their return on investment for the bond, essentially the money they receive is the tax money they are paying to the Government on their income.
- 10) Please understand that ALL the banks are owned by the same people that own the FED and the ownership is hidden behind a veil of privacy laws, so what they are doing is:
 - a. Printing their own money out of nothing.
 - b. Using it to purchase bonds (debt) from the US government (putting the citizens into debt).
 - c. Receiving the money back into their own local banks because the government has used it to pay their employees and contractors.
 - d. Creating 1000% more money out of thin air above and beyond the money they actually have deposited.
 - e. Loaning this newly created money to you and me for purchasing cars, houses, college degrees, etc. all the while charging interest to us too.
 - f. Charging the government interest on the bonds they originally purchased with free money.
- 11) The FED is supposed to pay any remaining profit after operating expenses to the US Treasury; however, because the FED cannot be audited by our government, the IRS, or even congress based on operating rules they had established at their creation, any profit can be hidden and/or re-directed anywhere the FED owners want it to. Apparently, the operating expenses for the FED are hundreds of billions of dollars a year. Also, let's not forget that all of this profit is tax free.

Each year the United States goes deeper and deeper into debt through the issuance of bonds. Just think, without comparison, the most costly thing that could possibly be implemented is a war with an “invisible” enemy that cannot be quantified...like “terrorists”...sound familiar? The World Trade Center (WTC) incident was very carefully planned and orchestrated by the

bankers. There are estimates that it is costing the United States nearly one billion dollars a day to fight the “war on terror” that has stemmed from the WTC incident. All of that money is being “created out of nothing” by the FED and lent to us with interest. Satan loves “fear” and the “police authority” that stems from it. When something is done in the name of “National Security”, nobody can stop it or get in its way...It gets implemented no matter how many civil rights it steps on or abolishes. The “Patriot Act” and the “Department of Homeland Security” are without a doubt two of the goals and accomplishments that were desired from the WTC incident.

Many things that the media and the world try to suppress as conspiracy theories of crazy people are not only true, but are directly related to the activities and workings of the bankers. The so called “Illuminati” is a branch of this system and the word “Illuminati” means “keepers of the light”. This is because their goal is to suppress and hide the truth and light of Jesus Christ through lies and deception. It is too much for me to get into in this paper but here is a list of presidents who became aware of the bankers and had enough backbone to try to stop them:

- 1) Andrew Jackson (failed assassination attempt)
- 2) Abraham Lincoln (assassinated)
- 3) James Garfield (assassinated)
- 4) William McKinley (assassinated)
- 5) John F. Kennedy (assassinated)

Clearly you can see the pattern of what happens when people get in the way of this money machine. All of the above listed presidents tried to fight the bankers and only Andrew Jackson beat them (at least temporarily). Andrew Jackson was the last president to actually eliminate the country’s debt completely. Also, based on minimal research, I found that all of these men believed in God and James Garfield was even an ordained minister; however, I don’t know if they were Christians.

Once these money making mechanisms are in place and the money is piling up, the next question becomes...How can these piles of money be used to get more money and get it quicker? Let’s list just a handful of tools being used to gain more money and control over the world:

- 1) Buy all of the major corporations that deal in natural resources (steel, aluminum, glass, plastics, oil, wheat, soy, gold, silver, diamonds, dairy, etc.). Then the availability, demand, and prices of all raw materials can be regulated.
- 2) Buy all of the major wholesalers so there is control over bulk products and prices making it difficult or impossible for anyone not directly associated with the evil system to purchase fairly.
- 3) Buy all of the important infrastructure including railroads, airlines, communications systems, electric power generation and transmission, pipelines, gas stations, etc.
- 4) Create HUGE retail stores (you can guess all of the names). These HUGE retail stores pop up overnight all over the world and they use slave labor from China,

Mexico, and other third world countries to underprice every other business on the planet. They also make things look great because they are giving local people jobs and selling inexpensive products as well as having incredible return policies...almost no questions asked (smiley face goes here)!

- 5) Issue credit cards to everyone and anyone including college students, people without jobs, and previous bankruptcy filers. Contractually bind the people to outrageous interest rates, annual fees, and late fees. These plastic idols create as much personal stress, anxiety, and depression as they do profit for the bankers.
- 6) DRUGS! Legal drugs are purposely created and marketed by drug companies as “needed” and “helpful”. They are peddled by prideful doctors that believe they are god. They undermine our healthcare system and they promote numerous lies about the physical needs of man rather than the spiritual needs. As for illegal drugs, they destroy people’s lives and create small civil wars everywhere they are being illegally grown, manufactured, and distributed. They enslave people while making billions of dollars in tax free profit.
- 7) WAR! This is the most profitable and evil tool Satan has. He starts a war using the “divide and conquer” strategy, and then the central banks lend money to both sides. Now all of the acquired companies will be able to produce more guns, tanks, cars, planes, uniforms, pencils, pens, paper, ammunition, etc, etc...you get the idea. But what is more incredible is that everything gets blown up and completely destroyed! So now the countries that took loans from the central banks have nothing to show for the loans except a lot of melted junk and corpses... but they still have to pay back the loans and the interest.

Now, when a country’s debt gets to be so high that the required taxes would be totally unacceptable to the population, the central bank give the country a “diplomatic solution”, the country can reduce their debt by paying the bank using their gold and silver reserves. This is how they get the gold and silver. The countries have no choice and they must pay or they are threatened with massive inflation or worse, a war. There is no doubt that Fort Knox is empty and has been empty for many years. That is why audits are no longer performed. Let’s not forget the untold billions of dollars in gold reserves that were under the World Trade Center.

This same thing has methodically happened to every country in the world. These central banks have “stolen” nearly all of the gold and silver in the world and continue to run every country into debt with their freely created money and interest based loans. As for the “precious stones”, there is only one major diamond and gemstone company (you know the name) and of course, it is owned by the same people that own and run the central banks.

***If you would like an enjoyable research project...The bankers are the ones who re-established Israel in 1948 (per God’s plan). Also, the Vatican was created by the bankers in 1929. My own personal theory is that the Vatican is where they are storing all of their gold and silver bullion because it is its own country and sovereign land that would never be attacked

because it would be “politically incorrect” to do so. I believe that there are huge underground vaults beneath the Vatican; however, this is a discussion for another paper.

I truly hope you see how this works. I have only touched on a few topics here...at this point the bankers control basically everything. It has taken many years, but the zenith of power is being reached. There are many other sides to the satanic rule of the world which involve the immorality and temptations that are shoved into our senses everywhere we turn.

There is also the purposeful manipulation of the truth through the media. The bankers control all of the media (TV, radio, newspapers, etc.), the internet, all cell phone and other communications companies, all drug manufacturers, all insurance companies, all movie production companies, etc. and they are using them to lure people away from God and to corrupt and destroy all of God’s creation. Satan operates on the “Divide and Conquer” mentality...This works great whether it is between 2 people or 2 countries. Black vs. white, homosexual vs. straight, male vs. female, Russia vs. United States, Democrat vs. Republican, Husband vs. Wife, North vs. South, etc. Anywhere division can be created, Satan is there.

Before closing this section of the paper and moving on, please remember what Paul said in Romans...This is all part of God’s plan so please pay your taxes.

For because of this you also pay taxes, for they are God's ministers attending continually to this very thing. Render therefore to all their due: taxes to whom taxes are due, customs to whom customs, fear to whom fear, honor to whom honor. (Romans 13:6-7)

Now, how did Satan pick the particular people and families which have been given this power and authority to become the richest and most powerful people in the world? I assure you it was not a mistake.

V - Human Sacrifice and Satan

From the beginning of the bible, God has warned people about not sacrificing their children to idols. There are hundreds of “false gods” and idols but we will focus on just three. These are Baal (mentioned nearly 100 times in the bible), Molech (mentioned 5 times), and Ashtoreth (mentioned 6 times). These three false gods are directly related to Satan and/or his chief demons. I am not going to get into specifics here because, quite frankly, I don’t know how they do it, nor do I want to know, but God warned His people time and time again not to worship these false gods and sacrifice their children to them. What I do know is that people literally sacrifice their babies by burning them (pass through the fire) in order to gain wisdom and power. These three “gods” are demonic representatives of Satan and they require human sacrifice for their proper worship.

And you shall not let any of your descendants pass through the fire to Molech, nor shall you profane the name of your God: I am the LORD. (Leviticus 18:21)

And they built the high places of Baal which are in the Valley of the Son of Hinnom, to cause their sons and their daughters to pass through the fire to Molech, which I did not

command them, nor did it come into My mind that they should do this abomination, to cause Judah to sin.' (Jeremiah 32:35)

and they forsook the LORD God of their fathers, who had brought them out of the land of Egypt; and they followed other gods from among the gods of the people who were all around them, and they bowed down to them; and they provoked the LORD to anger. They forsook the LORD and served Baal and the Ashtoreths. (Judges 2:12-13)

Let me assure you, this has been going on for a very long time and is still going on. The richest people in the world perform these horrendous rituals in order to appease Satan and to gain wisdom from him. There are secret places scattered throughout the world (Bohemian Grove in California is one in North America) that are used to perform these sick and perverse rituals.

There are also magic spells and books with horrible “incantations” and “sorceries” printed in them. The books containing the methods and procedures for performing these evil rituals have been passed down from generation to generation allowing only certain evil families to maintain the primary relationship with Satan. Please remember that as Christians we are not to have anything to do with these evil things. As a quick proof of the reality of these things, let me just remind you of when Moses and Aaron went before Pharaoh to dispense the 10 plagues of Egypt...Pharaoh’s magicians and sorcerers were able to perform several of the miracles because of the power Satan gave them.

So Moses and Aaron went in to Pharaoh, and they did so, just as the LORD commanded. And Aaron cast down his rod before Pharaoh and before his servants, and it became a serpent. But Pharaoh also called the wise men and the sorcerers; so the magicians of Egypt, they also did in like manner with their enchantments. For every man threw down his rod, and they became serpents. But Aaron's rod swallowed up their rods. (Exodus 7:10-12)

And Moses and Aaron did so, just as the LORD commanded. So he lifted up the rod and struck the waters that were in the river, in the sight of Pharaoh and in the sight of his servants. And all the waters that were in the river were turned to blood. The fish that were in the river died, the river stank, and the Egyptians could not drink the water of the river. So there was blood throughout all the land of Egypt. Then the magicians of Egypt did so with their enchantments; and Pharaoh's heart grew hard, and he did not heed them, as the LORD had said. (Exodus 7:20-22)

So Aaron stretched out his hand over the waters of Egypt, and the frogs came up and covered the land of Egypt. And the magicians did so with their enchantments, and brought up frogs on the land of Egypt. (Exodus 8:6-7)

“The greatest trick the Devil ever pulled was to convince the world he did not exist.” When people hear things about Satan, demons, human sacrifice, sorcery, magic, etc., they just think it’s a crock of boloney or they assume the person telling it is “crazy”. That is exactly what Satan wants! God didn’t tell His people not to do these things because it was a waste of time...just the opposite...it works and it is against the will of God to do so. Let’s move on to the final section that will explain what the ultimate goal of all this evil is.

VI - The Mark of the Beast

This passage from Revelation is what it is all about...

Then I saw another beast coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed. He performs great signs, so that he even makes fire come down from heaven on the earth in the sight of men. And he deceives those who dwell on the earth--by those signs which he was granted to do in the sight of the beast, telling those who dwell on the earth to make an image to the beast who was wounded by the sword and lived. He was granted power to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed. He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name. Here is wisdom. Let him who has understanding calculate the number of the beast, for it is the number of a man: His number is 666. (Revelation 13:11-18)

What this is telling us is that there will be an anti-Christ (first beast) and a false prophet (beast coming up out of the earth). These are the 2nd and 3rd parts of the unholy trinity (Satan = Father, Anti-Christ = Son, False Prophet = Holy Spirit). Notice that people will not be able to buy or sell unless they have the mark of the beast. This is why the possession and control of the gold, silver, and precious stones is so important. Satan will establish and control the new world government and economic system through the false prophet and anti-Christ. In order for people to live in the world and to be able to get food, clothing and other necessities, they will need to have the mark of the beast.

The mark of the beast is an electronic “chip”. They already have several versions of these chips in production (research “VeriChip”). Rich people are getting them implanted in their children so they can be tracked by satellites in case of a kidnapping. These chips can store medical histories, financial records, criminal records, and can link to a huge database of product purchase and usage data as well as every imaginable piece of personal information available. They are also able to be actively tracked by satellite, Wi-Fi, and/or cell phone towers.

They are the size of a grain of rice and the latest versions are powered by a thermocouple. A thermocouple is a device that produces electricity using two different metals sandwiched together back-to-back and a temperature differential between them. What this means is that one of the metals needs to be at a different temperature than the other and then a small electric current is created at the sandwich or junction point. If you implant a thermocouple in the human body, where do you think the best spots are to guarantee a temperature differential (outside ambient temperature on one side and body temperature on the other)? The hand or the forehead! These two spots are almost always guaranteed to be exposed to the ambient temperature and will therefore be the best place to guarantee a continual power supply via the thermocouple. They are also the most readily accessed locations for easy implant and active scanning. The primary

implant location will probably be the hand and for people who have amputated arms/hands, the forehead will be the secondary location.

If you are a Christian, you don't need to worry about being "chipped" because Jesus Christ will take us up to meet him in the clouds when the rapture of the Church occurs. The rapture will occur before the 7 years of tribulation. The removal of the Holy Spirit from the world is one of the turning point events that allows Satan to come to power through the anti-Christ and the false prophet.

***Let no one deceive you by any means; for that Day will not come unless the falling away comes first, and the man of sin is revealed, the son of perdition, who opposes and exalts himself above all that is called God or that is worshiped, so that he sits as God in the temple of God, showing himself that he is God. Do you not remember that when I was still with you I told you these things? And now you know what is restraining, that he may be revealed in his own time. For the mystery of lawlessness is already at work; only He who now restrains will do so until He is taken out of the way. And then the lawless one will be revealed, whom the Lord will consume with the breath of His mouth and destroy with the brightness of His coming. The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved.
(2 Thessalonians 2:3-10)***

This passage tells of the rapture, when "He who now restrains" (which is the Holy Spirit) is taken away. What this means is that right now, the only thing that is holding Satan back from taking over the world completely through the anti-Christ and false prophet is the Holy Spirit. Once all Christians are raptured and the Holy Spirit is removed from the world, evil and sin will spread like never before.

VII – Conclusion

I pray that this will help Christians realize that the bible is not just a bunch of interesting stories written to teach us morality through symbolism. Satan and the demons are real and all non-Christians need our help to come to Jesus Christ and his wonderful free gift of salvation. Don't let stress and worry enter or control your life. Pray daily for God's will to be done and try to help everyone you come in contact with,"...*be wise as serpents and harmless as doves.*"

As Christians, we should try to do these things:

- 1) To love God with all our heart, mind, and soul.
- 2) To love our neighbors as ourselves.
- 3) To live our lives in a righteous and loving manner in order to show others the love of Christ who dwells within us.
- 4) To live "in" the world but try not to be "of" the world.

- 5) To fear God with reverence and strive to glorify Him in everything we do.
- 6) To preach the “Good News” about Jesus Christ and how he gave his life to save us and redeem us from eternal damnation.

Ultimately, our war is not against people but against things we don’t even see...

For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places. (Ephesians 6:12)

Always try to walk in righteousness and preach the Gospel with meekness and humility.

Who is wise and understanding among you? Let him show by good conduct that his works are done in the meekness of wisdom. (James 3:13)

But sanctify the Lord God in your hearts, and always be ready to give a defense to everyone who asks you a reason for the hope that is in you, with meekness and fear; having a good conscience, that when they defame you as evildoers, those who revile your good conduct in Christ may be ashamed. (1 Peter 3:15-16)

Finally, I can’t think of a more appropriate verse to end this paper than the words given to Peter by the Holy Spirit...

And if you call on the Father, who without partiality judges according to each one's work, conduct yourselves throughout the time of your stay here in fear; knowing that you were not redeemed with corruptible things, like silver or gold, from your aimless conduct received by tradition from your fathers, but with the precious blood of Christ, as of a lamb without blemish and without spot. (1 Peter 1:17-19)

Please have faith and patience...Jesus loves us all very much!

God Bless You!
